

Our service during Covid-19

Our services are available online 24/7 via remitngo.com and through the app so you are now able to send money quicker to your loved ones. Go to remitngo.com and start using our service online or download the app and send money on the go.

Our services are still available through the Lozells Road branch to limited hours (please [click here](#) to find our new opening hours)

Still need help?

Due to limited staff it can be hard to get through to us via main telephone line so you can contact our Team below by email/alternative number to get a faster response.
