Job Summary

The Financial Controller will oversee all financial accounting operations, ensure full compliance with UK and Bangladesh accounting and tax regulations, and provide strategic financial leadership to management. The postholder will be a fully qualified accountant responsible for maintaining financial integrity, producing accurate financial statements, and managing internal controls and reporting processes.

Main Duties and Responsibilities

- Oversee accounting operations including accounts payable, receivable, UK and BD payroll, and general ledger.
- Prepare budgets, forecasts, and performance reports for senior management.
- Lead the annual audit process and liaise with external auditors.
- Develop and maintain financial controls, reconciliations, and risk management procedures.
- Ensure compliance with FCA, HMRC, Companies Act, and other regulatory requirements.
- Provide financial analysis and insights to support strategic business decisions.
- Liaise with BRAC Bank and Bangladesh Bank officials for reporting, fund repatriation, and compliance matters relating to the Bangladesh Liaison Office.
- Oversee audit, tax, and regulatory compliance of BRAC Saajan's Bangladesh Liaison Office.
- Supervise and mentor finance team members.

Qualifications and Experience

- Fully qualified accountant (ACCA, ACA, or CIMA).
- Minimum 10 years' post-qualification experience in accounting, audit, or financial management.
- Strong technical knowledge of UK financial reporting and tax compliance.
- Proven leadership and analytical skills, with experience managing finance operations.
